

## **CS Report**

Hello to all our 2008 FSO-CS's and all our members. I would like to ask all our "CS" officers to review their websites against the Chief Director's website at <http://www.uscg.mil/hq/cg3/cg3pcx/>. This is the preferred website layout. This is **not** a requirement for your website only a suggested layout. When you are changing or adding to your website, please keep this layout in mind.

<http://www.d7oax3.net> or <http://d7oax3.net> or <http://cgd7dpa.org> should be changed to point to the new Seventh District DIRAUX website at <http://d7diraux.org>

And any links to <http://dirauxwest.org> or <http://www.dirauxwest.org> or <http://dirauxwest.net> or <http://www.dirauxwest.net> should be removed as the site is no longer available.
